The uniqueness of our educational institution, which has become the only source of higher education, science, and culture in Batken, was that due to the living conditions of the local population and the geographical location of the Batken region, its structural units are being opened locally.

- For example, the head office of the university and the Batken multidisciplinary College are located in the city of Batken, the Kyzyl-Kiya Pedagogical Institute, the Kyzyl-Kiya Multidisciplinary Institute are located in the city of Kyzyl-Kiya, the Sulukta Territorial Institute and the Sulukta Pedagogical College are located in the city of Sulukta.

Over the course of a quarter century, the institution has been recognized as a center of learning that meets all the requirements of the higher education system, operates within the framework of its own development strategy, and holds its place among higher education institutions. The university employed more than 300 teaching staff, including 5 doctors of sciences, professors, more than 60 candidates of sciences, associate professors.

In accordance with the Decree of the President of the Kyrgyz Republic "On certain issues in the field of education of the Kyrgyz Republic" dated September 11, 2025 No. 256, Resolution of the Cabinet of Ministers of the Kyrgyz Republic "On Certain issues of reorganization of Higher educational institutions of the Kyrgyz Republic" dated December 24, 2025 No. 826 and in execution of the Order No. 06 of the Ministry of Science, Higher Education and Innovation of the Kyrgyz Republic dated January 13, 2026, "On the reorganization of the Júsup Balasagyn Kyrgyz National University," Based on the order No. 138 of April 24, 2026, issued by the rector of the Joseph Balasagyn Kyrgyz National University, Professor D.T.
