

HANBAT NATIONAL UNIVERSITY OFFICE OF INTERNATIONAL AFFAIRS

Information of Exchange Program for 2026 Spring Semester

Program Objective

The objective of the Exchange Program for students from partner universities is to provide international exchange program with the opportunity to acquire the experience of living and studying in our campus. It aims at promoting international exchanges in education and mutual friendship between Hanbat National University and the Partner University.

Qualifications

Prospective applicant must meet the following criteria;

- Must be a student of HBNU's partner university
- Have an adequate health, both physically and mentally
- Have the academic background related to the course student is applying for

Duration of Stay

Students enroll for a semester(Spring, 2026) of the study program under the agreement between Hanbat National University and the Partner University.

Also, students pledge to return to home country within one month after the end of semester.

Student VISA Information

The offer of admission to HBNU's exchange student program DOES NOT come with the student VISA which is strictly required by the Korean Immigration Department for students to enter and study in Republic of Korea.

Application of VISA approval and payment of related immigration charges can be done via the Korean Embassy.
