## Turkish Language Program for Public Officials and Academicians of Turkic World

# KATİPATA

”

The Turkish Language Program for Public Officials and Academicians of Turkic World (KatipAta) is a comprehensive fellowship program for Turkic World's public officials, diplomats, academicians and researchers who wish to learn Turkish better and get closely familiar with Türkiye.

“

“The program is aimed at contributing to the creation of communication networks which will serve for further development of the relations among Türkiye, Kazakhstan, Kyrgyzstan, Uzbekistan and Turkmenistan.

Besides Turkish language instruction, KatipAta Program offers a wide variety of activities whereby the participants can better acquaint themselves with the Turkish culture and society. With seminars on diverse topics by eminent professors, cultural trips around Türkiye, KatipAta participants will have a chance to experience Türkiye's cultural atmosphere closely. Throughout the program, the interaction of the participants with public institutions, think-tanks, media organizations and universities will also be encouraged through joint events and short-term internship opportunities to create channels of institutional cooperation in various sectors between countries.
